

# **THE PERMANENT OKAVANGO RIVER BASIN WATER COMMISSION**

## **Basin Vision**

**Reminder: 'where are we going'**

**Windhoek, Namibia**

**9<sup>th</sup> March 2017**

## Vision – as adopted in 2015

**The economically prosperous, socially just and environmentally healthy development of the Cubango-Okavango River Basin.**

- This was developed following a six month, seven-event process that included six National events and one Regional event
- The principles and precedent of 20 years of OKACOM cooperation, inputs and outputs was taken into account at all stages

## Vision – as adopted in 2015

- Its serves as a reminder that guides the development of the Basin - ‘this is where are we going’
- Accommodates the needs of current stakeholders and balances these with the needs of future generations.
- Emphasises ‘balance’ – the need for growth, but it must be equitable and socially just as well as sustainable and environmentally healthy.
